Sid tries very hard on this one and does some superb singing, as one would when singing with Dave Burland

Sid Kipper with substantial contributions from the other half of Partners In Crime, Mr Dave Burland.

Recorded live at the Old Goat Folk Club, St Just-near-Trunch one Tuesday in May. As the club meets one Thursday in September there was no audience. Produced by Chris Sugden.

“The seemingly unlikely pairing of the hilarious Sid Kipper with the fine traditional singer Dave Burland works extremely well.”
