12. The Song of the F.U.

Alone at last!

With assistance from Linda Herring and Cocklesdale (Val Marlin, John O'Hake and Graham Perch). Features walnut-shells, bass walnut-shells, stylophone and scallops. Originally a Trunch Wireless programme. Produced by Chris Sugden.

*"The Kipper tradition is still at its best"*

*(Folk Roots)*

*"On many tracks he is augmented by Linda Herring and Cocklesdale who add variety but unfortunately are far too tasteful."*

*(Essex Folk News)*
