

Album: [The Ever Decreasing Circle](#) - Artist: The Kipper Family

Here we come a wassailing all among the leaves  
That isn't very easy when they're still all on the  
trees

Chorus

Wassail, wassail, we'll tell you wassail  
That comes in bottles brown and pale  
Comes in bottles, so bring some here  
And we'll have a happy new year

Let us now be thankful that the old year has departed  
But there's no time for feast before another one has  
started

Chorus

Now the year has passed away, cast away your sins  
There's lots of lovely new ones as another year begins

Chorus

Pouring cider on the apple trees seems rather wrong  
We'll drink it first and then we'll water the trees  
before too long

Chorus

Bring food from off your table and beer from out o'  
your barrel  
For If you don't we'll stop and sing another ancient  
carol
